COUNTY OF ARMSTRONG

Dear Valued Business Owner:

The County of Armstrong, PA is excited to announce its continuation of the Community Video Program. We have extended our agreement with CGI Communications, Inc. to update our online videos highlighting all our community has to offer its residents, visitors, and businesses.

CGI is a leader in online marketing solutions, working with thousands of communities and businesses nationwide. With an easily viewable interface on the official County website (www.co.armstrong.pa.us) their video showcase will engage viewers in learning more about area attractions, economic development opportunities, quality of life, and so much more.

In addition to the videos being on the county's official web site, they will also be featured on Relocate.org, the largest relocation network in the nation. The County of Armstrong, PA is dedicated to highlighting the advantages of living and working in our community, and we feel that this program can do just that!

A representative of CGI Communications will be contacting you with an opportunity to take advantage of their innovative digital media tools and services. We encourage you to consider supporting this program, which we feel is truly a win-win for all involved.
